

Pupil Premium Funding

Since 2011, schools have been allocated Pupil Premium funding.

The terms of the grant are very broad and stated: 'The grant may be spent by maintained schools for the purpose of the school; that is to say for the educational benefit of pupils registered at that school, or for the benefit of pupils registered at other maintained schools; and on community facilities, for example services whose provision furthers any charitable purpose for the benefit of pupils at the school or their families, or people who live or work in the locality in which the school is situated'.

The grant is to be allocated in two parts, which are:

- Pupil premium for pupils known to be eligible for free school meals (FSM) in any of the previous six years and service children in mainstream schools.
- Pupil premium for looked-after children and pupils eligible for FSM in any of the previous six years in non-mainstream settings.

From September 2012, the Department for Education (DfE) requires schools to publish information about how they plan to use the Pupil Premium grant.

Please help us to continue to provide the very best opportunities for all of our children

If you are a low-income family or you think you maybe eligible for FREE SCHOOL MEALS, please speak to someone in school – every penny we receive in Pupil Premium makes a difference.

School reviews its pupil premium strategy annually in July of each year.
