

Oughttrington Primary School Development Plan 2024-25

Priority 1: Further improve outcomes for all children with a focus on:

- **Reading:** to further improve the reading comprehension skills of pupils across school by focussing on fluency and comprehension
- **Maths:** to further improve the fluency and recall of key arithmetic skills
- **Writing:** to further improve fluency and accuracy of transcription skills (handwriting, spelling and sentence punctuation) across school

Priority 2: Further improve the impact of the curriculum by:

- Investing in quality staff CPD with a focus on instructional coaching
- Empowering staff to adapt schemes of learning to best meet the needs of their pupils
- Ensuring that assessments are tightly focussed and used to directly inform teaching and learning
- Continuing to refine the curriculum to ensure children develop a deep understanding of key concepts
- Further sharing our curriculum offer with parents

Priority 3: To further enhance pupils' spiritual, moral, social and cultural development by:

- Further enhancing the profile of British values
- Continuing to promote equality of opportunity and diversity effectively in order to enhance pupils' appreciation and respect of differences in the world
