6	Wednesday 2nd April	PAN Arts Performance	6pm
	Friday 4th April	School Closes Easter Hamper Raffle Draw will take place	3:20pm

Snow

Our half term started with a Winter Wonderland. The children (and staff) had a great start to the half term playing in the snow.

Y3 Stone Age Day

What an incredible trip Year 3 had at to their Stone Age Day at Tatton Park. They had the opportunity to complete activities that gave them first hand experience of what life might have been like all that time ago. They planted seeds using antlers as tools, built shelters using branches and animal skins, started fires using flint and iron, got to handle artefacts and heard the real life tale of Otzi the Stone Age Man!

Lots of learning and lots of fun!

Y2 Trip to Chester Zoo

Year 2 had a great time at Chester Zoo learning all about habitats, food chains and animal adaptations. The children took part in a great workshop and wowed the leaders with their knowledge. We'd like to thank the parent volunteers who accompanied us on this trip and the children we're a credit to our school.

Number Day

The whole school enjoyed a fabulous NSPCC Number Day on Friday 7th February. Both children and staff came to school in various outfits which displayed a number. The children enjoyed designing and playing a range of number games across the school. It was fantastic to see different year groups working together and supporting each other in a fun number way!

PTA KS2 Film Night and EYFS/KS1 Disco

Our recent PTA events were a huge success with both events sold out. Thank you to the PTA for organising these events and to the many helpers on both nights. Your support is really appreciated.

OPAL Play: Parent and Carer Survey

Please click on the link below or scan the QR code to complete a short survey on OPAL Play.

Thank you
