In their voluntary roles our Governors also come to assemblies and school productions, interview potential staff as part of the recruitment process, complete learning walks throughout school, make link Governor visits, attend the new intake meetings and other parent events and participate in governor training. We are one of the schools throughout Warrington who have gained the Governor Training Passport.

Governors are linked to an area of the School Development Plan. They undertake visits to school and participate in discussions with staff on their focus area.

No Governors have a business or financial interest in the school, apart from their Governor role.
